

## Robyn Monro Miller – CEO of the Network of Community Activities (NSW) and key member of the International Play Association

**Robyn Monro Miller** is a former child with 48 years' experience in the world of play. The highlight this play career being the building of unsafe structures in trees and spying on her neighbours. In her adult life she has resorted to working in the field of school age care to reclaim some of the magic of those early years. She is now Chief Executive Officer of Network of Community Activities in NSW and has represented the school age care sector at a State, National and international level for the past 20 years most notably as Chair of the National Out of School Hours Services Association and Vice President of the International Play Association. In 2012 Robyn was part of the international delegation to the United Nations in Geneva to progress the development of the UN General Comment on Article 31 "The child's right to play".

Robyn is a real friend to Playwork and a key figure in the battle to extend the right of all children to play both in Australia and internationally. **Malarkey PLAYwork** are pleased to invite her for a second time to speak to our national conference, this time as a keynote presenter.
